Art - Printmaking

In this unit we will learn about printmaking with a variety of objects using primary colours. We will explore light and dark tones and use peer/self assessment with our own work.

Computing - Online safety

To create, name and date my digital creative work.
To safely search for images online.
To understand how to communicate safely online.
To understand what personal information I need to keep safe.
To explore how to use email to safely communicate.
To apply my online safety knowledge to help others make good choices online.

PSHE./Heartsmart

Don't hold on to what's wrong!
In the unit we will learn how to let the bad feelings out of our hearts so we can feel happy again.

Music- Combining pulse, rhyme and pitch

How does music help us understand our neighbours?

Geography - Local Area

This 'Our Local Area' unit will teach the children all about their locality, giving them a greater insight into where they live. The children will explore their local area using first hand observation to enhance their locational awareness along with developing essential map and fieldwork skills. They will learn to recognise a range of housing types. plan a route, use compass directions and to use locational and directional language.
