## **PRIVACY NOTICE** **How we use pupil information**

We, Wavertree CE School, are a data controller for the purposes of the Data Protection Act 1998. We collect personal information from you and may receive information about you from your previous school.

### **Why do we collect and use pupil information?**

Section 537A of the Education Act 1996 requires schools to collect and provide any such individual pupil information as may be prescribed. This includes sharing of a set of named pupil records through the submission of termly school census returns to the local authority and DfE.

Putting the school census on a statutory basis:

- means that schools do not need to obtain parental or pupil consent to the provision of information
- ensures schools are protected from any legal challenge that they are breaching a duty of confidence to pupils
- helps to ensure that returns are completed by schools

We also collect and share individual pupil information with the local authority - including attendance and exclusions data- each week. This is supported under The Education (Pupil Registration) (England) Regulations 2006 Regulation 12; Children's Act 2004 Section 10: co-operation to improve wellbeing; Children's Act 2004 Section 11: arrangement to safeguard and promote welfare; Education and Inspections Act 2006 Section 38 and Working together to safeguard children March 2013 Guidance.

This information is used by the local authority to fulfil a number of statutory duties:

- to ensure there are sufficient school places in the area
- promote high education standards
- ensure fair access to educational opportunity and promote the fulfilment of every child's educational potential
- the need to meet the local authority's safeguarding requirements
- to facilitate the ability of partner organisations to support the learning and welfare of children and young people through the exchange of data and the use of information not otherwise available to either organisation.

For more information on how the local authority uses information we share with them go to <http://liverpool.gov.uk/schools-and-learning/requests-for-pupil-records/>

We also use pupil data:

- to support pupil learning
- to monitor and report on pupil progress

- to comply with the law regarding data sharing
