Concerns:

If you are worried about your child or their schooling, please make an appointment to see myself, Mrs Brooksbank, or the School nurse.

Class 4
Half Term 6
Wavertree C. of E.
School

Mr. Holland
Ms. Powell

English

Fantasy Worlds - The Lion, the Witch and the Wardrobe by

C.S. Lewis:

The children begin by exploring the idea that a character can change over time, by using predictions, we will see what the class expect to happen at different junctures of the story. This will improve their powers of inference and interpretation.

Poetry - The Jabberwocky by Lewis Carroll:

The children will look at entymology and morphology before creating their own nonsense poem based on the famous creature created by Lewis Carroll.

Computing - Word Processing

We will continue to teach word processing, text formatting skills and organising content into an effective layout. We will then draw on all the skills we have learned this year to create a character for a computer game.

P.E.

Children continue to develop athletic and gymnastic skills, we will be learning to chase, throw and catch a rolling ball.

D&T - Edible Garden

We will learn how to grow, and prepare for eating herbs and vegetables. Includes tasting sessions!

Science - Animals, including humans

The children explore ways to identify, sort, group and classify living things. They will use classification keys to group, identify and name living things from the local habitat and beyond. It introduces children to the idea that environments are subject to man-made and natural changes.

Curriculum Web Year Four Half Term 6

Humanities-History

Continuing our theme from last term we will be looking at how Islam spread, and its influence as it entered Europe through Spain. We will look at the architecture and history of Cordoba.

Geography

Children will study the desert environment, looking specifically at the Sahara and Patagonian deserts. What wildlife lives there? Is a desert always hot?

French

Class Four will be learning the names of different foods, and how to order and pay for them in a café!

Maths

Geometry - position and direction and properties of shape.
Statistics.
Consolidation of units taught this year.

Religious Education - Prayer

The aim of this unit is to ensure that the children know that prayer is a way of communicating with God and to know that Christians believe that God listens and responds.

Heartsmart- No Way Through Isn't True

When faced with an obstacle do you give up, or are you resilient enough to be able to find a way through, or round, your problem?

Music - Violin

The children continue to improve their bowing and fingering techniques, culminating in a concert to show their skills. This will be taught by a specialist music teacher.
