

Wavertree Church of England School Uniform Policy

At Wavertree Church of England School, we believe that wearing a school uniform fosters a sense of belonging and community among pupils. It also helps to prevent discrimination and promotes a positive school identity. We ask parents to ensure that their child attends school in the appropriate uniform as outlined in this policy.

Cost and Availability

The school is committed to making uniforms affordable for all current and prospective pupils. We strive to secure the best value for money while ensuring that uniform items are accessible to all families.

Equality

Our uniform policy is designed to comply with equality legislation. We have taken steps to ensure that the cost of similar uniform items, such as trousers versus skirts, is not disproportionately high. The school aims to provide a gender-neutral and inclusive uniform, allowing all pupils to wear the same items regardless of gender.

- For certain activities, such as P.E. and swimming, teachers will require that earrings are removed for safety reasons.
- A sensible wristwatch may be worn (no smartwatches).

Insurance

The school is covered for public liability; however, we do not provide personal insurance for pupils who experience personal loss or injury during school activities. Parents are encouraged to make their own private arrangements for personal insurance.

As we cannot be held responsible for breakages or losses, we kindly ask that children do not bring personal objects to school unless specifically requested by staff.

We appreciate the support of parents in ensuring that all pupils adhere to the school uniform policy, which contributes to a positive and inclusive school environment.

Thank you for your cooperation.
