The Sleepy Shepherd

It is rare that a Christmas nativity is interrupted by an outbreak of chicken pox, but the absence of many children has made this year's performance quite a challenge! Thank you to staff for persevering through some tricky moments.

Parents of pupils in Early Years are very welcome to join us on Wednesday 13th and Thursday 14th at 10am to enjoy the Children's version of 'The sleepy Shepherd'. It is always a joy see the children in their costumes enjoying their Christmas songs.

Respect

You might hear about having respect or showing respect. At the heart of respect is caring. In simple words, respect is caring how words and actions may impact others. Respect has two parts:

- 1) having respect for someone because of how their actions impact others and
- 2) showing respect by changing your actions to be sure you don't have a negative impact.

- Using kind or polite words even when you're upset
- Using manners like sharing, waiting your turn, saying please and thank you
- Accepting difference or at least disagreeing with kind words
- Being careful not to damage places or things
- Using a quiet voice or calm behaviour in public places
- Sharing resources, only taking what you really need

Respect means you care enough to think about how you impact others.

Show respect for all people. Love the brothers and sisters of God's family. Respect God. Honour the king. 1 Peter 2:17

Book Recommendation

Suitable for children 8+ years.

There are no polar bears left on Bear Island. At least, that's what April's father tells her when his scientific research takes them to this remote Arctic outpost for six months. But one endless summer night, April meets one. He is starving, lonely and a long way from home. Determined to save him, April begins the most important journey of her life...

This moving story will win the hearts of children the world over and show them that no one is too young or insignificant to make a difference. The Last Bear is a celebration of the love between a child and an animal, a battle cry for our world and an irresistible adventure with a heart as big as a bear's.

12 Top Tips for Children and Young People to Enjoy a TECH-FREE CHRISTMAS

The Christmas holidays are tailor made for families to enjoy relaxed quality time in each other's company – but with distractions like ping-pong notifications, the lure of games consoles and online Boxing Day sales, that can be more difficult than it sounds. Staying off our phones, laptops and tablets, however, can really help us to appreciate the things that genuinely matter at this special time of year. Follow our 12 top tips for a tech-free festive season ... Yule be glad you did! Merry Christmas!

CHRISTMAS CRAFTING

Get out the paper, glue and scissors and have a go at hand-making cards or gift tags. You could also create your own decorations to add a uniquely personal touch to the Christmas tree.

NATURE QUEST

Try a scavenger hunt in the garden or your local park. Challenge yourself and your family to find natural treasures that are symbolic of this time of year – like holly or pinecones, say.

CAROL KARAOKE

Sing your hearts out with a Christmas carol karaoke night. Pick out your favourite tunes and enjoy a musical celebration with family and friends.

WANDER DOWN MEMORY LANE

How about making a scrapbook filled with your favourite memories from Christmases gone by? Unleash your creativity while you enjoy reliving those magical holiday moments.

TRY REFLECTIVE JOURNALLING

Jet down your thoughts, feelings and reflections on the holiday in a notebook or diary – you could also list some of your main goals for the new year.

WRAP IT UP

Take time to get inventive with some luxurious gift wrapping. Break out the wrapping paper, ribbons and bows to make parcelling up those presents into a creative adventure.

WALK IN A WINTER WONDERLAND

Delight in the great outdoors with some gentle walks over the holiday. The family can all wrap up warm as you add to your step count and savour the crisp winter air together.

BE A SEASONAL CHEF

Get the whole family working together in the kitchen for some Christmas cooking. Choose a recipe and whip up a festive feast that all of you can enjoy.

ENJOY A CHRISTMAS STORY

Christmas is a perfect time for sparkling stories. Get cosy and lose yourself in a brilliant book, from Dickens to Dr Seuss or a more modern favourite by Chris van Allsburg or Tom Fletcher.

SNOWY SCULPTURES

If we're fortunate enough to get a white Christmas this year, make the most of the opportunity by having a family snowman-building competition!

GAMES NIGHT GALA

Dive into some old-school fun with a tech-free games night. Classic board games and card games have stood the test of time for a reason!

GOODWILL TO ALL

You and your family could spend a day volunteering – perhaps at a food bank or helping a local charity. After all, kindness and thinking of others are part of what Christmas is all about.
